

Cerebra®

The Cerebra downlight range features not only ActivWhite Technology, but also the 'smartlight' Zigbee control system.

Variable colour temperature from 2900k to 6500k, dimmable from 100% - 0% and is available with beam angles ranging from 15° - 120°.

All of these features come as standard with the Cerebra.

Using light creatively to drive sales
